Re: Julian

Dear Mr. Vachon,

We want you to know how much we appreciate you, your excellent crew and the outstanding results that are evident on completion of our custom cement patio. Enough can not be said about your working crew – they arrived on time – all worked together like a “well oiled machine” and left the property in better condition than they found it. It is obvious to us that as an owner, you take pride in your business and in the end result of your projects. You answered all of our questions with patience and clarity. We would be most happy to be added to your referral list.

Thank you again,
